

Vecom Marine Alliance B.V.
Att: Mr. Jos Lange

LETTER OF NO OBJECTION TO THE USE OF COOL TREAT NCLT COOLING WATER ADDITIVE

Dear Sir,

The Vecom cooling water additive Cool Treat NCLT has passed Wärtsilä testing criteria for cooling water additives and based on these results Wärtsilä has no objection to the use of the Vecom product:

Cool Treat NCLT.

The statement is valid for the engine types Wärtsilä® 200, Wärtsilä® Vasa 32 / 32LN, Wärtsilä® 20, Wärtsilä® 26, Wärtsilä® 32, Wärtsilä® 38, Wärtsilä® 46, Wärtsilä® 46F, Wärtsilä® 64, Sulzer® Z40 / ZA40 / ZA40S, Wärtsilä® 220SG, Wärtsilä® 28SG, Wärtsilä® 34SG, Wärtsilä® 50SG, Wärtsilä® 32DF, Wärtsilä® 34DF and Wärtsilä® 50DF provided that the raw water also meets the specification of Wärtsilä included in the Test Guide 0015.

Instructions for older engine types manufactured by Wärtsilä can be requested from Wärtsilä Services units being in response of a particular engine type in question.

This cooling water additive will be included in Wärtsilä's list of products having passed Wärtsilä's cooling water additive testing criteria.

Vecom undertakes all responsibility for the performance of the cooling water additive in service of the above mentioned engine types to the exclusion of any liability of any Wärtsilä company belonging to Wärtsilä group. Vecom along with other possible manufacturers and distributors of the product in question shall indemnify, compensate and hold harmless Wärtsilä and companies belonging to Wärtsilä group from and against any claims, damages or losses caused by the cooling water additive in question.
